Ref:-G.O.No.2633 P.H.,dated 24-7-39.

Sri S.Ramanathan, sub-assistant surgeon, who is employed in the Govt. Headquarters hospital, Mangalore, since 19th December 1935, was warned for transfer out of the district with reference to the G.O. quoted above.

p2 below I enclose for perusal a copy of D.O.*dated 3-8-40 received from the President, District Board, South Kanara. In view of the facts stated in it, I recommend that Sri Ramanathan may be retained at the Headquarters Hospital, Mangalore

Mangalore, for one more year.

I have the honour to be,

Sir,

Your most obedient servant,

Major-General I.M.S.,

Surgeon-General with the Govt.of Madras

*Copy of D.O.

I understand that Dr. Ramanathan, sub-assistant surgeon, Wenlock Hospital, Mangalore, is likely to be transferred shortly. I would never have written this letter to you but for some of his outstanding difficulties.

Dr. Ramanathan has been very popular in Mangalore and is one, who is immensely liked by his direct superior officers. His wife is down with a bad relapse of Influenza and his two children are down with fever for the last few days. Three of his children are attending the Convent and one is attending the Government College, Mangalore. If he is transferred now, he has got to keep his family back here for the education of his children. Poor Dr. Ramanathan is very much troubled on account of continuous sickness of one or the other in his family, ever since the middle of June 1940 after the outbreak of monsoon. If you will be pleased, I would earnestly request you to make a reference to the District Medical Officer, Mangalore, with regard to his domestic troubles at present. I appeal to you just to keep this transfer order in abeyance for some time and thus help, one of your most deserving subordinates to get over his present ills. I would never have ventured this letter to you but for the very trying conditions, in the health of his wife and children.

In forwarding herewith copy of letter No.600/Sup/40/C dated 29-7-40 from the District Medical Officer, Tanjore, I have the honour to state that Sri K.V. Mahadevan, sub assistant surgeon attached to Rajah Mirasdar District Headquarters Hospital, Tanjore completed three years service in the station on 14-2-40 and was warned for transfer with reference to the Government order quoted above.

In the circumstances represented by the District Medical

Medical Officer, Tanjore, I recommend that Sri Mahadevan may be retained in the appointment for one more year.

I have the honour to be,

Sir,

Your most obedient servant,

Major General, I.M.S.,

Copy of letter Roc.No.600 Sup/40C dated 29th July 1940 from the District Medical Officer, Tanjore to the Personal Assistant to the Surgeon-General with the Government of Madras, Madras.

Reference:- Your office memorandum R.No. 12240-E dated 22-7-1940 regarding periodical transfers of 2 sub assistant surgeons from this district.

I would be very grateful if Sub-Assistant surgeon, Sri K.V. Mahadevan could kindly be retained at the District Headquarters Hospital, Tanjore, for a further period as I have spent a good deal of time in training him to assist me in operative Surgery work and he is working very well, indeed. There is so much work to be done each day, that if I have to commence training a new man, it will mean additional strain on me. Could Sub assistant surgeon Sri K.V. Mahadevan please be retained at Tanjore on public grounds for another year, or as long as I remain at Tanjore, whichever is shorter.

Reference your Memo. No.14151-2.E/C dated 13-9-40 regarding Sri S. Ramanathan, Sub Assistant Surgeon, I am not aware of the circumstances as to how the District Board President happended to write a letter to the Surgeon-General recommending detention of Sri S. Ramanathan, Sub Assistant Surgeon, at Mangalore.

I therefore called for an explanation from Sri S.Ramanathan on the subject. I am herein enclosing his reply which explains the whole situation. I may add, that so far as I know, Sri S. Ramanathan has no personal interests in this place.

Copy of letter dated 17-9-40 from Dr. S. Ramanathan, Sub Assistant Surgeon, Government Headquarters Hospital, Mangalore.

I beg to submit that with reference to the letter of the President, District Board, recommending me to detain here, I am practically in the dark about it. My own impression is that he must have, on learning about my pending transfer sympathized with my lot, owing to my peculiar domestic circumstances and might have on his own initiative written a personal letter to the Surgeon-General on the subject. I never took any initiative nor did I make any request whatever on the matter. The only connection between him and me is that I happened to treat one of his children last year.

Mr Dunjee accepts. For Mangalore, I think we have already framed the scheme in PDB to liberalise. Shd. we not adopt it together giving the two alternatives with Mangalore one? Thus.
